**CCBC Family:**

Our COVID-19 Response Team has concluded that church activities and typical Sunday gatherings should be suspended through April 5th. At such date, the response team will meet again to reevaluate the current COVID-19 conditions and determine when we will be able to resume normal church services. As a stop-gap, Sunday messages from Bro. Alan Roggli will be posted on our Facebook page and CarrollsCreek.org. Please encourage others to “Like” our Facebook page to receive updates and share our posts. Further information will also be sent via Flocknote (text messaging) and posted to our website. Please continue to pray for those contracting COVID-19, healthcare workers, and our nation as we work through these unprecedented days in our nation and world’s history. NOTE: Church offices are open, and you may contact the staff if you have a question.  
*The CCBC COVID-19 Response Team*

During this time, the church is committed to reaching out to our members and our community. If you need essential items or have a neighbor that is in need, please contact the church office for assistance. Now more than ever, we want to love and serve.

### FROM MY HEART TO YOURS...

The staff of CCBC wants to say, ***“We love you, our brothers and sisters in CHRIST, and we are praying for you every day as the Lord delivers us in and through this international crisis.”***

We also thank you for your prayers for us. This first week of the nationwide mandatory shutdown has been a very busy week of research, planning, and ministry. Your staff prays that such will greatly benefit our family of faith at Carrolls Creek in the days ahead.

Mike Hogue and Jacob Comans have worked many hours to provide a CCBC worship service beginning this week via our website [www.CarrollsCreek.org](http://www.CarrollsCreek.org). (Click on Facebook or YouTube at the top of the home page)

Your CCBC staff will be delivering words of inspiration, encouragement, and information each day via texts and other means of communication.

In addition to the weekly worship service, we are working to provide a mid-week Bible study available by next week. This study will also be available at [www.CarrollsCreek.org](http://www.CarrollsCreek.org).

Also, multiple contacts will be made to CCBC members who are homebound or in retirement centers and nursing home facilities.

We will be helping those who have no family or friends by shopping, picking up medications, etc., for them. If you can help with these ministries, please call CCBC at (205) 339-1742 or text John Martz at 205-861-6012.

Finally, at least for now, there will be more and more who need a helping hand in these difficult times, and CCBC will respond with appropriate help to members and to other people in need whom *GOD* brings to CCBC.

Be sure to check your texts, Facebook, and our *COVID-19 Statement and Updates* page at CarrollsCreek.org for daily messages from staff and other CCBC leadership. In the days ahead we will be suggesting several ways you can serve the Lord and bless others while we are temporarily apart from one another. Please know that It is a joy to provide this wonderful family of faith with these ministries, and I eagerly yearn for the day we can greet and embrace one another face to face. Until then, “The Lord bless you and keep you...be gracious unto you...and give you peace.” - Numbers 6:24-26

Never forget, *GOD* loves you and so do I,

*Brother Alan*
