CCBC Reaching Out

During this time, the church is committed to reaching out to our members and our community. If you need essential items or have a neighbor that is in need, please contact the church office for assistance. Now more than ever, we want to love and serve.

CCBC NEEDS YOU!

In the next several months, work will be done to update all CCBC committees. A major goal is for church members to be able to determine where God may be calling them to serve Him with the spiritual gifts and practical skills He has provided. Be looking for more information coming soon.

From my heart to yours...

HELLO MY DEAR BROTHERS AND SISTERS IN CHRIST... It has now been seven weeks since we were last able to praise the Lord together, and we still do not know when we will be able to again worship at 14247 Highway 69 North. However, there are several things we do know, and I want to celebrate those with you. First, let me say that Gloria and I greatly miss seeing you, we love you all, and we are praying for all of the CCBC family. We also thank you for praying for our family of faith at CCBC.

THINGS TO KNOW AND BE THANKFUL FOR... Here are just a few things we know that are very encouraging to us all, especially to people of faith in the **LORD JESUS CHRIST...**

1. **GOD** loves us, **HE** is sovereign over all the universe, and **HIS WAYS** are perfectly planned that **HE** will be glorified, **HIS** people are sustained, and our eternity is secured! Praise the **LORD**!
2. **GOD** knows about and promises to provide for your needs, calm your fears, and, give you joy now and joy that is everlasting.
3. **GOD** will use this pandemic for **HIS** purposes which are always right and which are always designed to accomplish **HIS** eternal plan for humanity. **HIS** purposes also always are designed to provide **HIS** people with indescribable and eternal rewards, blessings, and glories.
4. **CCBC's** leadership, staff, and members alike have risen admirably to meet the challenges of the COVID-19 crisis. Beginning on March 15, CCBC leaders have been meeting, implementing, or planning to implement actions that will enable CCBC...
 - a) To meet physical, emotional, and spiritual needs of members as needed.
 - b) To make vital CCBC ministries available to, and to make contacts with as many people as possible via YouTube, Facebook, Flocknotes, Zoom meetings, texts, phone calls, and in some cases, even the good ole US mail.
 - c) To plan for the safest transition possible for when we are able to be back together for worship and Bible study.

5. **FAMILY, FRIENDS, AND OTHERS...** It is impossible to list all those who are working to protect us from the virus and for those who work to provide us with essential needs for our daily lives, but this will give you an idea of those for whom we should be especially grateful: 1) the medical community; 2) first responders; 3) mail carriers and other delivery folks; 4) essential business employees like grocery stores, pharmacies, restaurants, gas stations, banks, and hardware stores (to name only a few); 5) truckers who carry up to 70% of the essential items we need; 6) manufacturers who are producing personal protective gear, ventilators, and other medical supplies; 7) scientists working diligently to find the best treatments and even a cure for the virus; 8) local, state, and national governing bodies who are working hard to save lives and save livelihoods; 9) family, friends, neighbors, and possibly people we do not even know who are extending helping hands to others in need.
6. **GOD-GIVEN OPPORTUNITIES...** These very trying times provide you and me with unique opportunities to be the heart and hands of **JESUS** to pray, to love, and to care for one another and for others **HE** might bring into our lives.
7. **FINALLY**, while in many cases this is a very stressful, troubled, and even fear-laden time, the **LORD** can make this a time of great spiritual gain if we will take some time to seek **HIM**. So, please be in prayer, read **GOD'S Word**, and worship at home with your family or by yourself; and please read **II Kings 7:14** as you join me in asking the **LORD** for **HIS** healing and perfect will for our country, our church, and our individual lives. **GOD** bless you and keep you in the palm of **HIS** loving, caring, protecting and providing hand.

PLEASE REMEMBER, GOD LOVES YOU AND SO DO I,

Brother Alan

Youth Area Painting Has Begun

Parents, we have started painting the youth area, and so far, it looks wonderful. Now that we have started, if any parent would like to help complete this wonderful project, please let me know or be on the lookout for a text from Flocknote with times that we will be painting.

CCBC Youth and Parents

We just received word from YM360, which is the ministry that runs Generate summer camps, that Covenant College has canceled our summer camp dates on June 1-5th. This is sad news for our youth and for me because they picked this camp, and I was looking forward to taking them. But the good news is that since Covenant was the one that canceled on YM360, we will not lose our deposit that we paid. Parents, please pray as I begin to look at 2021 for our youth ministry and which YM360 camp we can attend.

CCBC Youth ZOOM

Youth, do not miss out on the chance to join the youth group through Zoom in the days ahead. Zoom is a video conferencing platform that allows users to see each other and talk by using their PC, iPad, laptop, or electronic device. All you need is to download the Zoom app, wait for the meeting time, and enter the meeting ID number to be able to see and hear me and the youth group all at one time. If you are using your computer, you will need a webcam to be able to capture your video and voice so others can hear and see you. If you have any problems connecting, please let me know.

Brian Wilson

"I will sing of the Lord's great love forever; with my mouth I will make your faithfulness known through all generations."

(Psalm 89:1).

During this time of uncertainty, we must be led by He who is certain. In 2 Chronicles 26:5b, the author said, "And as long as he sought the Lord, God made his to prosper." There are many things to seek in life, but the most important thing to seek is the Lord. The choir will soon be working on some new music. May we first seek his face, as we will soon make plans to have corporate worship again. As I have been contacting our shut-ins, they get so excited to get cards and calls from members of the congregation. Please pray and contact our senior adults and let them know we care.

Little feet will one day make **Big** footprints.

Memorize it!

**"Do not love the world or the things in the world.
If anyone loves the world, the love of the Father is
not in him."**

1 John 2:15

Family Devotion

We are learning to love God! Loving God really means NOT loving the world. Sometimes this can be hard. Toys, goodies, family, and other things are not bad, but we must always remember to love God first and most!

Ask: What does this mean?

You are unique and special to God. He has a great plan for your life. God gives us each special gifts and helps us all differently, so we must pray and read His word to understand what He wants for us.

One of the best things about God is He knows us and helps us where we are. Whether we are little or big, God is working in our lives and He has something He wants us to do!

Remember: Prayer, praising God with songs and memorizing God's word all help us to love Him and others better!

Applying God's Word:

*What does it mean "do not love the world"?

*What are worldly things?

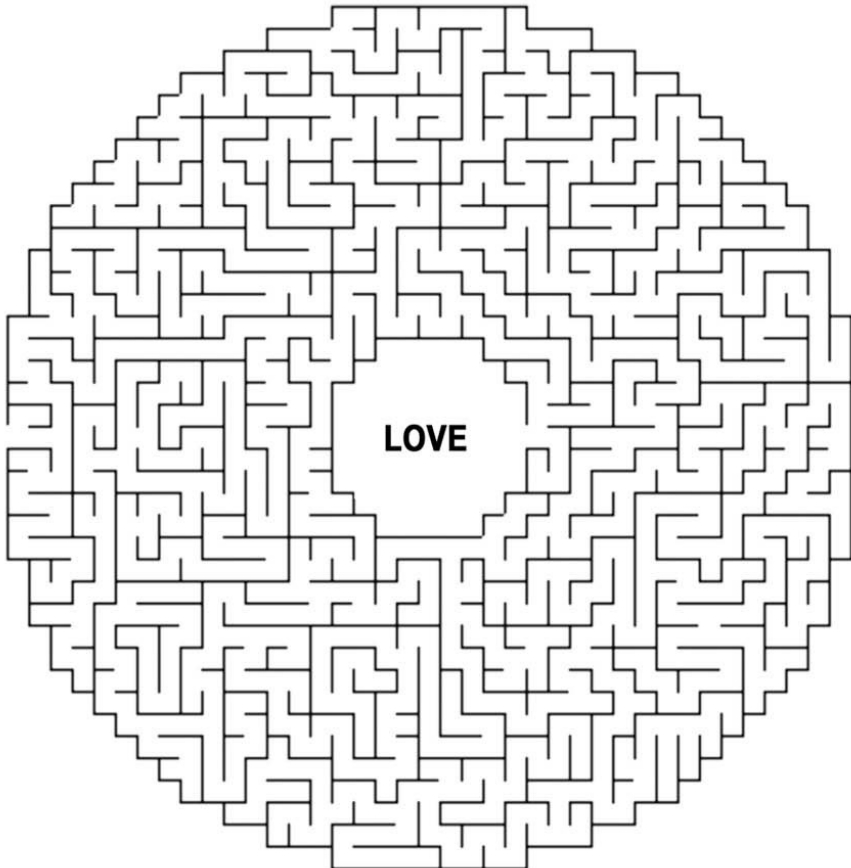

*God wants to speak to you. Pray and write down some ways you can love God this month.

Memorization (Fill in the blank)

1. Do not _____ the _____ or the _____ in the world. If _____ loves the world, the love of the _____ is not in _____. 1 _____ 2:15
2. _____ love the world or the things _____. If anyone _____ the _____, the _____ of the Father _____ him. _____ John _____:
3. _____ the _____ or the _____ _____ the world, the _____ of the Father is not in him. _____:
