YOU CAN  
SUPPORT  
A FOSTER  
CHILD FROM

# DAY ONE

Children often enter foster care with very little, and even the few items they bring are rarely what they need.

Not only that, they have just been uprooted from everything they've ever known . . . including their neighborhood, school, friends, and family. Even though they've been taken from situations such as abuse and neglect to a place of safety, their world feels out of control.

*You can be there for a child the first day they enter foster care to let them know they are safe, they are loved, and they can find hope in Jesus Christ.*

Whether you pray for their healing journey, open up your home as a foster parent, or give of your financial resources—all of these can make a lifelong impact for a child coming from hurting families.

*How will you help a foster child from day one?*

## HOW WILL YOU HELP A FOSTER CHILD FROM DAY ONE?

PRAY

Prayer is essential to the healing foster children find in Jesus Christ. You can play a role in caring for them by praying daily for these children who have come from heartbreaking situations by becoming a monthly Prayer Partner.

SERVE

Everyone can play a role in creating safety and security for a child when their world feels out of control. Whether you're called to be a foster parent, provide a meal for foster families, or babysitting a foster child—you're helping to create safety and security for that child, and sharing the hope they can find in Jesus Christ.

GIVE

**\$40** A DAY TO SUPPORT  
A FOSTER CHILD

Giving \$40 a day provides everything a foster child needs, including food, clothing, toys, counseling, advocacy by social workers, and more. You not only care for their basic needs, **but you provide a space and environment for them to just be a kid.**

**\$100** FOR A DAY  
ONE CARE PACK

Most children come to us with next to nothing. You can sponsor a **Day One Care Pack** for the first day they enter foster care. These packs provide more than just things they need like clothes, diapers, and toys—**these are things they can call their own, often for the very first time.**
