From my heart to yours...

Alan Roggli

Many have asked me and or Gloria about the announcement I made about an upcoming shift in my ministry, so I wanted to share with you the essence of that announcement...

My dear and beloved CCBC family, it has been my honor and joy to minister at CCBC since June of 2003. These 19 plus years have passed so quickly, and Gloria and I treasure this season in our lives of serving the LORD with you and with other CCBC members, many who have gone on to be with the LORD. Because of my deep and abiding love for CCBC, I want you to know about the plans for an upcoming shift in my ministry. I have met with CCBC's Personnel Committee and deacons several times, and I announced on September 18, 2022, that my tenure as your pastor will conclude on December 31, 2022.

Gloria and I have seen many blessings from the LORD and some trials from the world in these years. We have enjoyed times of joy with you and endured times of sorrow as well. We have many fond memories of ministry opportunities in which we saw GOD touch and change lives. We've have rejoiced as HE, by HIS all-sufficient grace, provided peace, hope, comfort, healing, and restoration to marriages and to parent/child relationships. We have celebrated as HIS intervention has brought families and individuals through many other trials. We have praised the LORD as HE has renewed individuals and families enabling them to draw closer to and live for JESUS. And, most importantly of all, we have thanked the LORD for many precious lost souls that HIS HOLY SPIRIT has called and transformed into forgiven/eternal children of GOD!

I have been immensely blessed to stand before you to deliver GOD'S precious Word through sermons, discipleship, Sunday School lessons, numerous counseling sessions, and hundreds of one-on-one conversations and prayer sessions. Gloria has likewise been blessed to minister in teaching the Word, being a persistent prayer warrior for many CCBC members, counseling dozens of individuals, filling numerous roles of ministry at CCBC and providing

scores of other loving touches in JESUS' name. We have also enjoyed many occasions of sweet fellowship over the years.

My heart's desire for each and every person and family at CCBC is:

1. For GOD to be honored in all things during this transition and beyond
2. For your next pastor to find you and every other member of CHRIST'S body at Carrolls Creek united in the oneness CHRIST'S SPIRIT provides when HIS people personally and collectively embrace and follow these four Biblical principles:
 - a. Your personal growth in the knowledge of and commitment to knowing and following GOD'S Word
 - b. Your personal commitment to and participation in the support of all the ministries provided in and through GOD'S church by being Biblical stewards of the resources GOD has entrusted to you, including your time, talents, and treasure
 - c. Your personal commitment to share the Gospel in Tuscaloosa County and to the uttermost parts of the earth
 - d. Your personal commitment to supporting, encouraging, helping, and praying for your staff and for the new pastor GOD will bring to serve at CCBC

We cherish the many lifelong friendships we have, and we look forward to these friendships being steadfast and sure till the Lord takes us home. We also look forward to serving the LORD JESUS with you at CCBC until December 31, 2022. Finally, we commit our prayers for you as you look to GOD for CCBC's future, and we greatly appreciate your prayers for us as we seek the LORD'S guidance to the service, HE has for us in the future. To GOD be the glory in the church and in each of our lives now and forevermore!

In CHRIST'S Love,

Alan Roggli

Prayer Champions

The new prayer champion ministry is underway. I am so thankful for the wonderful support from the church family. At this time, we only have a few students left to be picked up. You will find their envelopes by the prayer champion mailboxes. I am waiting to hear from a couple of Prayer Champions that took an envelope. If you have not received the student card that has their personal information and picture, please let me know. That way I can give it to you and record who is praying for the student.

What Is Dare 2 Share LIVE?

Dare 2 Share Live is a one-day livestream event. Carrolls Creek Baptist youth will join thousands of other youth as they provide excellent worship, speakers, and training. The Goal of Dare 2 Share is to present the students with a clear Gospel message so that they can be confident to share their faith with their friends and community. Reaching students with the power of the gospel has been their goal and focus for decades. As soon as I receive the schedule and details, I will send it out.

Fall / Winter Bible Study for the Youth

The youth will begin a new study on the book of Revelation on Sunday nights starting October 9th.

Brian Wilson

What a great time to worship the Lord! Each week, I feel His presence as each song is sung. I hope you allow God to speak to your heart through the music each week. It is also a great time to write a letter or send a card to someone who maybe hasn't been in a while. I am praying for our renewal services beginning this Sunday. We would love to have you in the choir. Many thanks for all the encouraging words each Sunday. God Bless Everyone.

Galatians 2:20

A Ministry For and With Those 18-25 Years of Age

³ For though we walk in the flesh, we are not waging war according to the flesh. ⁴ For the weapons of our warfare are not of the flesh but have divine power to destroy strongholds. ⁵ We destroy arguments and every lofty opinion raised against the knowledge of God, and take every thought captive to obey Christ. 2 Corinthians 10:3-5

Have you ever watched a documentary on the Animal Planet about zebras? If so, have you ever gone awe when you see a baby zebra running around with the herd? When a mama zebra gives birth, one of the first things she does is take her child away from the rest of the herd for a while. Why? Because the mother wants her child to learn to know her.

To the untrained eye, all zebras look the same. Even baby zebras have been known to mix up who their mom is. Every zebra has a unique pattern of markings on its head and face. When the mother zebra takes her baby away like that, the baby learns to identify who its mother is. The baby zebra can see and hear the mother. It learns to recognize the mother's individual markings. For weeks and weeks, it's just mother and child, mother, and child, mother and child.

Soon, the baby zebra is brought back to the herd. By then, the baby has learned a remarkable sort of discernment. It can see all the other zebras that look, sound, and smell almost the same and say, no, not that one. No, not that one. No, not that one. Ah, that one—that's my mother.

That level of familiarity and recognition is where God wants you to be with Him. God wants you to know Him without a doubt.

There is a battle that starts the moment you reach the point where you can begin to think on your own. Once that battle starts, it is never over until you take your last breath. It is the battle for mind control. Your mind is like a castle...like a stronghold or a fort, which is constantly under attack. In 2 Corinthians 10:3-5, certain words like war, weapons, fight, stronghold, and captives leap off the page. Indeed, you are in a war; and it is against the assault on your mind.

Why is the mind the bull's eye of this war? Why is it so powerful? The answer is quite simple. Whatever controls your mind controls you. Your mind is the control center of who you are. Our belief determines our behavior. We live what we truly believe...the rest is just talk. The mind is the key that unlocks your heart, your hands, and your habits.

The world, the flesh, and Satan want to put any barrier they can between your mind, the knowledge of God and your personal relationship with God. This is why we must be extremely discerning and careful about what we see, hear, and where we go. Be careful what you see at the movie theater. Be careful what you allow to come through your television screen. Be careful to the kind of music you listen to. Be careful about the places you go. If Satan can get your mind off of the things of God, he can weaken your spiritual commitment and relationship with God.

As a child of God, He has given you a helper in the Holy Spirit. As your personal relationship with God becomes stronger, you are more receptive to the guidance of the Holy Spirit, which stands like a guard at the door of your mind 24 hours a day and enables you to perceive what is good and acceptable and to make a conscious decision to let nothing go into your mind except that which God would approve and what you know will bring you closer to Him.

Be dedicated to renewing your mind daily and focusing it on what truly counts: a closer relationship with God.

In Christ,

Bro. John
