Children—\$10.00

New Bible Study

“Know What You’re For”

Starts Tonight

@ 5:30 pm in the Sanctuary

Facilitated by Chad Palmer

In our world today, people are often known more for what they are *against* than what they are *for*. Unfortunately, this extends even into the church. We want to reach the lost with the incredibly good news of Christ, but often all they ever hear us emphasize are the behaviors and attitudes we are against.

In this video Bible study, pastor Jeff Henderson points out God is **FOR** the people in our world. He is **FOR** breaking down unnecessary barriers that keep people away from experiencing his love.

Sessions include:

1. What Are You **FOR**?
2. **FOR** Your World
3. **FOR** Your Church/Team
4. **FOR** Your Community
5. **FOR** Your Life

New Sunday Service Times

Begins Sunday, September 1st.

Sunday School 9:30 am

Worship Service 10:45 am

PSALM 127:3

New Child Safety Upgrades

Church Family,

We put the safety and security of our Children as a top priority. In an effort to maintain a high level of safety and give parents and visitors peace of mind about trusting their children to us, we are upgrading the safety and security of our Children's Wing. We recently completed installation of lock down doors to the Children's Wing. Beginning on Sunday, September 1st, these doors will be locked during all of our Church services. A member of our Safety Team will be monitoring the Children's Wing and will allow parents or adult guardians to enter the area as needed. We are asking that unless you are picking up or dropping off a child, that you not travel through the Children's Wing. We are also asking that you not come through the Children's Wing to visit children between services. In addition, only parents or adult guardians will be allowed to pick up children 5th grade and below. We will no longer allow older siblings to pick up the children in the Children's Wing. In the near future, additional safety measures, such as a Check-in/Check-out system, will be added. Please be understanding and patient with us as we implement these new safety measures to keep our most valuable asset, our children, safe.
