## **Vision Team**

In preparation for a new pastor coming to Carrolls Creek in the coming months, our interim pastor has proposed that we form a Vision Team for the purpose of looking strategically at how to improve on certain areas of the church infrastructure. This would include facilities, committees, outreach, missions, worship, and discipleship, among other areas. The team would be composed of two members of the personnel team, two deacons, and three at large members of the congregation. The church will meet in a called business meeting to discuss and vote on this proposal. The date of the business meeting will be announced soon to give all members the opportunity to attend.
