## February 11th Love Beyond Measure

Tanya and I are excited to plan a special evening for our youth to experience God's love—a love that truly cannot be measured. On February 11th, we will leave CCBC and head to Olive Garden for a fun time together over a special meal. This will be a free night for our youth, made possible by God's goodness and generosity. We are looking forward to an incredible evening and giving all the glory to God for His amazing love.

## February 15th Winter Jam Trip

# A Word From Our Pastor

CCBC Family,

My family and I are excited to finally begin serving alongside you! Everyone has been so welcoming, and we already feel right at home. Thank you for loving us, encouraging us, and praying for us as we continue to grow together in Christ.

I hope that you've been encouraged by our series through the book of Philippians thus far! Philippians is one of my favorite books, and my prayer for our church family is that we would glorify God by imitating Christ as humble servants, united together on mission to take the gospel to Northport, to Alabama, to America, and to the Nations. As you spend your personal quiet time with God this month, I'd encourage you to join me in meditating on Philippians 2:1-11. I've found it to be such a rich passage of scripture and a blessing for my personal walk with Christ. I know that it will bless you too.

I want to share a statistic with you that has encouraged me. **Approximately 82% of people say that they are likely to attend a church service if they are personally invited by a friend!** I am praying that God will give us all clear opportunities to invite our friends and family members to church in the days ahead. As Christians, we have the benefit of being normally abnormal. We live in the world, but we're not of the world. As my 6<sup>th</sup> grade English teacher used to say, "Anyone with one eyeball and half a brain" can see that this world needs something to change. We have the benefit of knowing that change can only come from a personal relationship with the One who spoke the world into existence out of nothing. We know that the cause of that brokenness is sin, and that Jesus came to die for the sins of the world. Take someone you know to coffee or invite them to lunch. Talk about your grandkids, or fishing, or Alabama basketball, and invite them to church with you. Tell them you'll save them a seat! The hope for this world is alive and He has a name - Jesus!

Please let me know how I can be praying for you! My cell is 205-442-9464. Call or text me any time, or just swing by the office and come say hello. I am here for you, so don't hesitate to reach out.

In Christ,

Will

PS. A note about what to call me: I have never been too fond of titles. I will answer to almost anything. Brother Will, Pastor Will, or just Will is all fine by me.
